Frontier Airlines Announces New Myrtle Beach Service New Flights to Islip, N.Y., Denver, and Trenton, N.J. from **\$39**

Myrtle Beach, S.C. - Low-cost airline, Frontier Airlines, today announced new non-stop low-cost service to three cities. Frontier will now offer the best access to the west with non-stop flights to Denver and the only non-stop flights to Trenton, N.J. and Islip/Long Island, N.Y. All flights are available for purchase now at flyfrontier.com with introductory fares as low as \$39* each way.

"Horry County Department of Airports is excited that Frontier Airlines selected the Myrtle Beach International Airport as its next airport to commence operations," said Scott Van Moppes, director of airports. "The airport's team continues to keep its operating costs affordable, making it a desirable facility for airlines to launch operations and expand their service offerings. Frontier's new nonstop service from the Grand Strand to Denver, Long Island and Trenton, NJ will be well-received by the local traveling public while making it easier for visitors to get to Myrtle Beach, SC."

"We are thrilled to welcome Frontier Airlines to Myrtle Beach," Brad Dean, president and CEO of the Myrtle Beach Area Chamber of Commerce. "Adding affordable non-stop air service from key markets like Long Island, Trenton, NJ and Denver gives local residents more travel options and helps attract more visitors to the Myrtle Beach area. More visitors translates into a stronger economy, more jobs and more money for schools, infrastructure and law enforcement."

"It's always exciting to welcome new air service, and Frontier Airlines' decision to open up three markets speaks to Myrtle Beach's increasing appeal," said Bill Golden, CEO of Golf Tourism Solutions, the agency responsible for promoting Myrtle Beach as a golf destination. "Long Island and Trenton are outstanding feeder markets, and we are particularly excited about the opportunity to attract Denver golfers. Myrtle Beach's combination of quality golf and value is the game's best, and Frontier's addition of nonstop service from Denver will open one of the game's most avid markets."

"We are committed to making flying affordable for everyone and are excited to launch new service to the Myrtle Beach area," said Daniel Shurz, senior vice president commercial said. "We are proud to announce that our new flights to Denver will expand the area's nonstop service range to the west and to introduce the only nonstop flights to Islip, NY and Trenton. We look forward to driving new visitors to and from The Seaside Golf Capital of the World with our unique brand of Low Fares Done Right."

Frontier flies one of the youngest fleets in the industry consisting of Airbus A320 Family jet aircraft. With nearly 200 more new aircraft on order, Frontier will continue to grow and modernize its fleet to deliver on the mission to provide affordable travel across America. By 2026, the company will be in a position to deliver Low Fares Done Right to more than 50 million passengers a year. Frontier’s young fleet also ensures that the company will continue to keep fares low and that customers will enjoy a pleasant and reliable experience flying with the airline.

Frontier is focused on offering customers real choice and the ability to customize their travel to their needs and budget. For example, customers can purchase travel options like bags and seat selectons either a la carte or in one low-priced bundle called the WORKSsm. The Works bundle is considered one of the best values in the industry and offers customers full refundability, a carry-on bag, a checked bag, the best available seat (including exit rows and Stretch seating), waived change fees and priority boarding for as low as \$59 each way.

About Frontier Airlines:

Frontier Airlines is committed to delivering ‘Low Fares Done Right’ to nearly 90 cities in the United States, Canada, Dominican Republic and Mexico on more than 300 daily flights. Headquartered in Denver, Frontier Airlines is the proud recipient of the Federal Aviation Administration’s 2016 Diamond Award for maintenance excellence and was named the industry’s most fuel-efficient airline by The International Council on Clean Transportation (ICCT) as a result of superior technology and operational efficiencies.
