## IMMEDIATE RELEASE

### **Valet Parking Now Open at the Myrtle Beach International Airport**

**Myrtle Beach, SC, August 7, 2018** - Valet Parking is now available at the Myrtle Beach International Airport (MYR).

On Monday, August 6, 2018 Valet Parking was introduced at MYR. Valet Parking is a premium product, offering customers the most convenient parking option at MYR.

**Hours:** Daily, from 4:30 AM until after the last flight of the day

**Rates:** \$25.00 Max. Daily Rate; or, \$5.00 Per Hour

**Location:** MYR "Commercial Lane" adjacent to the terminal building (follow the "teal" colored signs)

"Demand for parking at the Myrtle Beach International Airport continues to increase as passenger traffic soars," said Scott Van Moppes, director of airports. "While those people visiting the Grand Strand account for the majority of passenger traffic, we are experiencing substantial growth from locals who are flying out of MYR. As demand increases we want to ensure that we are exceeding our guest's expectations, by providing them more choices when it comes to parking at the airport. While Valet Parking is a premium offering, it makes Myrtle Beach International Airport an even more attractive airport for the time-sensitive traveler."

In addition to Valet Parking, the Airport offers three other parking products: Economy Parking (which is the most economical option at MYR; credit card only lot); Long Term; and Short Term Parking. Additional parking information can be found at <http://www.flymyrtlebeach.com/to-and-from-myr/parking/>.
