

IMMEDIATE RELEASE

Florence Will Impact Operations at Myrtle Beach International Airport (MYR)

Myrtle Beach, SC, September 10, 2018 – The Myrtle Beach International Airport (MYR) is exempt from the mandatory evacuation order. This exemption will enable air carriers to continue to operate. It is anticipated commercial carriers will continue to operate in and out of MYR as long as conditions for flight operations remain safe and airline and TSA staffing levels are able to accommodate flights.

For flight status updates visit your airlines website, do not call the Airport. If you have flight reservations verify that your airline has your cell phone number and/or email address; your air carrier will notify you directly of flight changes.

Prior coming to the Airport please verify your flight status. As a reminder the Airport is not an evacuation shelter.
