Horry County Department of Airports
Airlines Extend Flight Cancelations at MYR

Myrtle Beach, SC, September 14, 2018 – Some airlines have extended flight cancelations at the Myrtle Beach International Airport (MYR).

All air carriers operating at MYR have canceled commercial flight operations for Thursday, September 13 and Friday, September 14, while American Airlines and Spirit Airlines have extended their cancelations through Saturday, September 15.

For commercial flight status updates passengers must contact their airline, not the Airport. If passengers have flight reservations they should verify that their airline has their contact information (e.g., cell phone number and/or email address); the air carrier will notify passengers of flight changes. If passengers have questions about an airlines re-booking and/or cancellation policies they should visit:

- Delta – https://www.delta.com/...a.../weather-alerts/hurricane-florence
- Elite – https://res.eliteairways.net/TravelAdvisories
- Frontier – https://www.flyfrontier.com/alert/
- United – https://www.united.com/.../travel.../news/Pages/travelnotices.aspx

The Airport anticipates that all air carriers will be providing flight status updates for future operations by end of day Friday, September 15.

About the Myrtle Beach International Airport (MYR) The Myrtle Beach International Airport is the gateway to Myrtle Beach, South Carolina and the Grand Strand. The Myrtle Beach International Airport is owned by Horry County and operated by the Department of Airports. MYR is served by Allegiant Air, American Airlines, Delta Air Lines, Elite Airways, Frontier Airlines, Porter Airlines, Spirit, Sun Country, United Airlines, and WestJet.
