“Spirit’s decision to commence nonstop air service from the Myrtle Beach International Airport to Orlando, Florida is fantastic news for the entire region,” said Scott Van Moppes, director of airports for Horry County. “In 2018, airlines serving MYR offered nonstop air service to 48 markets throughout the Northeast, Mid-Atlantic, Midwest and Southeast parts of the United States but convenient service to Florida was limited to Ft Lauderdale on Spirit. With the start of air service to Orlando, MYR now has nonstop service to 49 markets and its second market in Florida. Now that this much anticipated route was introduced and starts this weekend, residents throughout the Grand Strand and entire regions have an easy, affordable nonstop option to the heart of Florida.”
