WHEN

Wednesday,  
December 13, 2023

4:30 - 6:30 pm EST

The Horry County Department of Airports is embarking on a 45,000 SF Terminal Expansion to Concourse A at the Myrtle Beach International Airport (MYR). MYR will be expanding the west end of the existing Concourse A building to accommodate six (6) new gates with the potential for a seventh gate. JE Dunn+Southside, a Joint Venture, is seeking trade partners for many scopes of work.
